"Providing safe, high-quality & innovative fire/rescue education & training"

## Fire Inspector I Program

**Mission:** To prepare students for employment as Fire Inspectors in the State of Florida

## Becoming a Certified Fire Inspector

A career in fire inspection offers opportunity both in the fire service and in private industry. In Florida, to inspect buildings and facilities for the purpose of preventing fires and saving lives, a person must be certified by the Florida Division of State Fire Marshal, as found in Florida Statute 633.081.(2)

The Fire Academy offers all five of the courses required for eligibility to take the Fire Inspector certification exam. The title and book for each course is listed below. (*The courses may be taken in any order.*)

### 2010-2011 Schedule

Each of the five courses meets on Tuesdays for five weeks. The three fall courses may be taken on either Tuesdays or Wednesdays. All classes meet **0900-1800**.
