2009-2010 Dual Enrollment EMT Students Honored

A number of the Fire Academy's 2009-2010 Dual Enrollment EMT students have gone above and beyond in their quest to become the best in their chosen area of technical education. As a result, they are being tapped for membership in the National Technical Honor Society. The Induction Ceremony is scheduled for 12:30 p.m. Thursday, March 18, 2010. It will take place in the Mid Florida Tech Cafeteria (Bldg. 700).

This is an honor shared by only the top 2% of all Technical Education students in the nation. We offer hardy congratulations to these able students for their hard work and for being recognized as the best of the best.
